

NATA District One Student Ambassador Application 2020-2021

The purpose of the Student Ambassador Program is to provide an opportunity for students in District One to become involved in professional service. Student Ambassadors will have opportunities to provide input to District One officers, and will be asked to communicate information about scholarships, professional development, and other opportunities for students to students in their respective educational programs. The District One Student Ambassador Program will give students an opportunity to take on small but important leadership roles within the district, with opportunities for professional development and networking.

Eligibility

- 1) Enrollment in a CAATE accredited undergraduate or professional Master of Athletic Training program for the 2020-2021 academic year
Note: The student may be a sophomore, junior, or senior undergraduate, **or** first- or second-year graduate student during the 2020-2021 academic year
- 2) NATA District One member in good standing required
- 3) Student NPI number required ([click here for instructions](#) and to apply – it's free!)
- 4) Students should be in good academic standing within their program and have the endorsement of their Program Director

Note: More than one applicant may apply from a program; however, only one student from each program will be selected to be the Student Ambassador representing their program.
